1) Meeting of the ADHO Steering Committee

At the **meeting of the ADHO Steering Committee** Mon 23 June & Wed 25 June 2008 at the University of Oulu, Finland it was decided that the Standing Committee on Multi-Lingualism & Multi-Culturalism (SCM) would be composed as follows:

- a mechanism and policy for the translation of the TOCs of LLC and DHQ, involving ADHO constituent members
- dto. for multilingual CFPs and abstracts

Phase 2: Policy initiatives, including

Phase 3: Research projects, including

• software for generating multi-lingual concept ontologies from papers and abstracts

Topics & actions discussed

3) Practical activities

- 1. Call 2009
 - 1. not all 2008 versions could be updated (cf. Hungarian, Italian), German is still missing, Norwegian has not been finished yet
 - 2. DH 2009: The <u>Call</u> is available in:
 - 1. English
 - 2. French
 - 3. Polish
 - 4. Russian
 - 5. Serbian
 - 6. Spanish
 - 7. Swedish
 - 3. The Call was sent out to members of ALLC and ACH asking for volunteer translations. The result of this was quite poor. Only 2 people reacted:
- Spanish Esteva María
- Serbian Sukovic Suzana
 - 10. The Call was not sent to SDH-SEMI as had been planned
 - 11. A long and intensive mail conversation with a Japanese Scholar led to her becoming a member of one of the associations. The plan to do a Japanese translation had to be given up, however.
 - 2. Contribution to ConfTool wording French Spanish German
